

Commonly Asked Questions

WHAT IS THE PROCESS FOR BOOKING AN EVENT WITH THE RED LION INN?

Our policy is first to contract for date availability. Once you book, your wedding date is locked-in and reserved. You can then continue making updates to your package up until twenty-one days before your event.

WHAT HAPPENS WHEN YOU ARE READY TO BOOK?

When you are ready to secure your date, we will send you an electronic contract. You will have 72 hours to review, sign, and make your first payment. Once these steps are completed, your booking will be officially confirmed!

WHAT IS THE PAYMENT SCHEDULE?

- 25% of your estimated total is your initial deposit and is due when you book.
- 75% of your estimated total is due 6 months before your event.
- 100% of your actual total is due 21 days before your event. At this point, your event will be paid in full.

We accept personal checks and cashier checks made out to 'The Red Lion Inn', money orders, or credit card payments. You can make payments in person, by mail, or over the phone. All payments are credited to your final balance.

HOW LONG IS A WEDDING?

Our wedding packages include five hours of event time, with an additional half hour available for on-site ceremonies. After your reception, you can also enjoy access to our included after-party space for two hours.

WHAT IS THE INITIAL CONTRACTUAL COMMITMENT?

You are committing to the venue space, your wedding date, start time, and minimum dollar amount (before admin fees and tax). You are welcome to adjust your guest count and package details as you plan. While these changes might impact the final price, we will keep you informed throughout the process to ensure there are no surprises.

CAN WE PROVIDE OUR OWN ALCOHOL?

We do not permit any outside alcohol, as we hold the liquor license and are responsible for serving all alcohol on the premises. All of our packages include a fully stocked bar and bartenders. We offer the option of either a cash or open bar, which can be added to any package. If you have a special bar request, we will consult our bar team to accommodate it.

DOES THE RED LION INN CARRY LIABILITY INSURANCE?

Yes, we have venue liability insurance. We do require all vendors to have their own as well.

CAN OUR PET BE PART OF OUR SPECIAL DAY?

Absolutely! Your pet can be part of your special day for photos and the ceremony. However, they will need to leave the property following the ceremony, due to food safety protocol.
